New Volunteering Opportunities & Events

Could you use your statistical skills and knowledge to support a charitable organisation? We are looking for RSS members who are interested in volunteering for the Statisticians for Society opportunities listed below.

If you are interested in volunteering and feel you have the relevant skills for one or more of the projects, please send your **CV along with a short supporting statement (up to 400 words)**. In the statement, please indicate the project code, your motivation for expressing interest, and why you would be suitable for the opportunity described. The deadline for expressions of interest is **EOD Sunday 17th November 2024**. Please consider applying for multiple roles, and noting that some opportunities can be undertaken in pairs. To express interest or discuss the opportunity further, contact us at s4s@rss.org.uk
